UM Youth News

It has been an honor with a learning curve to be Youth Director at First United Methodist Church. I can see our growth and potential for more growth.

The faithful frequent kids look forward to road trips and more ministry outreach.

We loved caroling and let me assure you, received more joy than we brought. We were all deeply touched by the experience. Austin Mc Gillberry said afterwards, “I want to do this every year.”

Each Sunday 5:00pm-6:00pm includes scripture, (we are reading the entire Bible.) music, prayer, fellowship, activities and snacks. Come early and check out our new Nintendo Switch gaming system.

Focus: *Worship and Covid*

We're not off to a great start in 2022 with the spread of the new Covid variant. Nashville and our surrounding communities have a high positivity rate for Covid. Our church at this point is still safely observing In-Person Worship and Sunday school classes. But we also urge people who attend in person to consider masking and maintaining all the safety protocols what we've been practicing since 2020. We are most thankful for the option of Livestream worship on Facebook and our Radio broadcast on 105.5 FM KNAS. The safety and health of each of you is our main concern. So we encourage each of you to use your best judgment and caution to protect yourself. Please check our church website, Facebook page, and your email for updates and any changes.

We had a fine College Student Sunday on December 26th and we are proud Kaden Peebles for her fine sermon and to each of them for their leadership.

Our UM Youth under youth director Michael Eudy were able to go caroling in person this year to our 3 area nursing homes and many of our homebound members. We thank God for our youth and their families.

I also want to commend our dedicated & hard working church staff for their service to Jesus and our Church during our busy but inspirational Christmas services and programs. Please see the many photos in this newsletter capturing many of them.

In Christ's love,
Bro. Daniel
