Bible Study

starting August 21st at 5:00pm

God goes to great lengths to rescue lost and hurting people. That is what *The Story* is all about—the story of the Bible: God’s great love affair with humanity. Condensed into 31 accessible chapters, *The Story* sweeps you into the unfolding progression of Bible characters and events from Genesis to Revelation. Using the clear, accessible text of the NIV Bible, it allows the stories, poems, and teachings of the Bible to read like a novel. And like any good story, *The Story* is filled with intrigue, drama, conflict, romance, and redemption—and this story’s true.

What a blessing! I am so honored to be serving Bingen and FUMC Nashville!!! It has been so wonderful to meet you and to reconnect with some of you. I hope we can have a fruitful ministry together.

Beginning August 21 we will begin a study of "The Story". This study takes us on a chronological journey through the bible from Genesis to Revelation. Books for the study are available in the office for \$5.00. This is a 32 week study that will last us until May 21. We will have the study on Sunday evenings at 5 o'clock in Fellowship Hall, and it will last about 45 minutes per session (depending on discussion). All are invited to be a part of this wonderful journey through the Bible.

Sometimes it's easy to get bogged down in some parts of scripture. However, this overview touches most of the important stories and issues found in the Bible. If you've struggled with Bible Studies this might be the study for you. Each week will require some reading, but because of the way the authors sewed scripture together, it is very readable - a story. I'm excited to go through this study with you!

My experience in ministry has been that all of the great ideas for ministry have not come from me but from the congregation. If you have an idea, a desire for ministry, my door is always open and I would love to talk with you about how we could make your vision become a reality.

We are in the process of planning a celebration of 40 years in this building! If you have any stories of the old church building or moving into this "new" building please contact Mary Boozer who is organizing our celebration. On celebration day we plan to have Hamburgers and Hot Dogs after church (You can bring a dessert if you like) and enjoy the day together.

As school begins we lift up a special prayer for our teachers, support staff, and students that it will be a safe and wonderful year.

It's that time of year that we begin to look at our church leadership for the year. Most of our church officers serve a 3 year term. If you would like to serve on any of our boards or in any capacity, please contact the church office before August 15th so we can take your name to the leadership committee.

Bro. Gary

During our finance meeting and administrative board meeting on Sunday, July 17th, a decision was made to check out the Online Giving for our church. We will have more information for you in the next newsletter.

September 11 has been chosen for the 40 year celebration of this church building. Make sure you mark this date on your calendar. We will have a Hot Dog and Hamburger luncheon right after the morning worship. All you need to bring is desserts.

Come and share some memories of the old church and of this church as it was being built.

We might even get a washer tournament going.

The Heart of a volunteer is not measured in size, but by the depth of the commitment to make a difference in lives of others.
