## Focus: “...and a little child shall lead them.”

On Sunday afternoon, February 6th I’ll kick off teaching our spring Youth Confirmation Class for students 7th grade and older. It is an honor and privilege as a Methodist minister to teach and lead our youth in this time honored effective tool for making disciples of Jesus.

Confirmation class is a discipleship class on what it means to be a follower of Jesus. It has been in use by the Christian church for adults and youth for over 1,800 years. At the conclusion of our 10 week class the students will have the opportunity to be baptized, if they have not been already, and make their public profession of faith in Jesus Christ as their Lord and Savior in Divine Worship together on a Sunday in May.

The timing of early adolescence, about age 12 or 13+, for Confirmation Class happens to correspond with the introduction of higher math, algebra, in our public schools. Christian & Jewish leaders for centuries know this age as the age of accountability. And public educators also know this is the age that youth begin to develop & process higher abstract thought and reasoning. So that no longer does a child believe in God or attend church because Dad and Mom do—but because the youth can have a personal relationship with God through Jesus Christ His Son.

The prophet Isaiah predicted 1,000’s of years ago “and a little child shall lead them...(Is. 11: 6). As parents we lead our children to God and Jesus—and then in their new found faith in Jesus, they in turn lead and inspire us in our faith! Please text or call me at 501-690-8488 for any questions. And I ask that each of our remember our youth –our most valued possessions– and me in your prayers as we invite the Holy Spirit to do His work within them.

In Jesus’ name, Bro. Daniel
